ACCOUNT APPLICATION AND GUARANTEE FORM

Terms and Conditions

All quotations given, contracts accepted and supplies made by ROWSE (the Company) are subject to the following conditions:

Quotations and Order Acceptance

1. Offers for delivery ex stock are made subject to goods remaining unsold at the time of receipt of order.
2. All offers are without engagement and no liability is accepted for loss, damage or delay caused by Government order, war, civil commotion, force majeure, accidents, fires, strikes, lockouts, or delay in obtaining raw materials through shortage or advance in price thereof or any other cause beyond the Company's reasonable control.

Technical Information

3. It shall be the responsibility of the customer to ensure that all goods supplied comply with all the legal and technical requirements relating thereto and to the requirements of all competent authorities having jurisdiction in regard thereto.
4. All information of a technical nature and particulars of goods and performances given by the Company or printed in its catalogues are given in good faith, but no responsibility is accepted by the Company for the accuracy thereof and such information shall be subject to correction without any liability on the part of the Company.

Prices

5. All prices in this catalogue and all price lists are subject to alterations without prior notice.
6. All price quotations are subject to confirmation before acceptance of order and, unless otherwise stated in the quotation, may be withdrawn without notice at any time prior to acceptance of order.
7. We shall be entitled to recover by way of addition to the contract price such amount(s), which we may become required to pay in respect of Value Added Tax in relation to goods or services supplied in the contract.
Vat No: GB 846 8446 83.
8. All prices are strictly net unless otherwise specified. The Company reserves the right to charge prices ruling at the time of delivery. Where goods are sold duty paid, any increase of duty subsequent to the date of the contract is for the account of the Buyers.
9. Prices for goods specified in this catalogue are in £ sterling, exclusive of VAT which will be added at the time of delivery in accordance with prevailing legislation. Where the company agrees to trade in Euro it will specify an exchange rate for each order.
10. Where goods are sold in currency other than British Sterling the respective prices are determined at the parity rates ruling at the time of contract and any subsequent charges prior to final completion and settlement of contract by virtue of either de- or re- valuation of either the British Sterling or of the contract currency shall be for the account of the Buyer.

Delivery

11. All delivery periods are subject to confirmation before acceptance of order and, unless otherwise stated in the quotation, may be withdrawn without

notice at any time prior to acceptance of order.

12. Delivery times quoted are to date from receipt of a written order to proceed and of all necessary information to enable the work to be put in hand. Such times are to be treated merely as estimates not involving any contractual obligation, unless the Company has specifically contracted otherwise in writing, and any such contract shall be subject to the Company not being delayed by instructions or lack of instructions, or by industrial dispute, or by any cause whatsoever beyond reasonable control.

13. Owing to the obligations placed upon it the Company reserves the right not to accept liabilities for deficiencies, damaged or faulty goods, or errors in despatch, unless intimation by letter is given to the carriers and to the Company within three days from receipt of the consignment. Neither can it accept any claim for loss of goods advised but not delivered unless notice is given to the Company and to the carrier within 21 days of the date of the advice note or invoice, or in the case of exported goods, within a reasonable time from date of shipment.

Property and Risk

14. All goods wherever situated and whether affixed to the premises or other property of the customer or not shall remain the property of the Company and title to the goods shall not pass to the customer until all payments of the purchase price together with interest where applicable have been made to the Company. In the event that any part of the purchase price remains unpaid for more than 90 days after this has become due the Company shall have the right to recover the goods and to enter the customer's premises for such a purpose.

15. Risk of loss or damage to the goods shall pass to you upon delivery.

Defects and Returns

16. Unless otherwise laid down in the specification or contract, if any defect or failure in the goods supplied becomes apparent under proper use within such period after despatch as the Company considers reasonable in the particular case, and the goods are returned free to the Company's factory (unless otherwise arranged) the Company will either supply fresh goods in replacement, or, at its option, repair the original goods free of charge, provided the Company is satisfied that the defect or failure is due solely to bad workmanship or the use of faulty materials or that the goods do not comply with the agreed specifications. Goods will only be accepted for return or inspection or service if accompanied with the company's returns form which is available on request.

17. The Customer is responsible for returning Goods to the Company and for providing proof of delivery of such return. The customer shall be responsible for the cost of carriage and insurance in respect of all goods returned by the Customer to the Company and such goods shall be at the risk of the Customer until actual receipt thereof by the company.

Liability

18. The Company shall not be liable for any loss or damage direct or

consequential or for any accident or for the effect of any accident arising from any defect or failure in goods supplied.

19. In the case of goods not of the Company's manufacture, the Buyer is entitled only to such benefits as the Company may receive under any guarantee given in respect thereof.

20. The provisions contained in paragraphs 2, 3, 11, 12, 16 are in lieu of and exclude all other warranties, conditions and liabilities expressed or implied, whether under common law statute or otherwise, in relation to goods supplied by the Company, and no variation of these provisions shall be binding on it unless confirmed in writing by its Secretary.

Payment

21. A customer wishing to open a credit account must furnish such information as requested by the Company and the Company will make a search with a credit reference agency. All credit terms of settlement quoted are subject to satisfactory references being furnished to the Company if required. The Company reserves the right in its absolute discretion to grant, refuse or discontinue any credit facilities or reduce or suspend any credit limit at any time.

22. Unless otherwise specified or agreed by the Company payment is to be made at its Head Office address within 30 days of the Invoice date without any deductions whatsoever. If the Customer fails to make payment by the due date then, without prejudice to any other right or remedy, the Company shall be entitled to:

(i) Suspend deliveries or cancel undelivered portions of order and to take proceedings for the collection of outstanding amounts, without prejudice to any subsequent claim the company may enter for non-fulfilment of the contract.

(ii) Appropriate any payment made by the Customer to such of the Goods (or the Goods supplied under any other contract) as the Company may think fit; and (iii) Make charges and interest (both before and after any judgement) on the amount unpaid in accordance with The Late Payment of Commercial Debts (Interest) Act 1998, as amended and supplemented by the Late Payment of Commercial Debts Regulations 2002.

General

23. The right is reserved by the Company to correct typographical and clerical errors.

24. These conditions are supplementary to any other conditions applicable to the contract and in the event of any inconsistency between these conditions of sale and any implied conditions of purchase, these conditions of sale shall prevail unless otherwise expressly agreed in writing and signed by two directors or one director and the Company Secretary of ROWSE. 25. This contract shall in all respects be governed by English Law. The customer submits to the non-exclusive jurisdiction of the English Courts, without prejudice to the right of Rowse to bring any action before any other courts having jurisdiction.
